REPORTS CONFLICT ON DETAILS OF FALLEN OBJECT

PR161913Y Sucre Radio La Plata in Spanish 1630 GMT 16 May 78 FY

[Summary] We have received another phone call from our audience requesting confirmation of reports that an unidentified object fell in Bolivian territory near the Argentine border. We can only say that Argentine and Uruguayan radio stations are reporting on this even more frequently, saying that Bolivian authorities have urgently requested assistance from the U.S. National Aeronautics and Space Administration in order to determine the nature of that which crashed on a hill in Bolivian territory. Just a few minutes ago Radio El Espectador of Montevideo announced that there was uncertainty as to the truth of these reports.

Argentine sources indicated that the border with Bolivia had been closed but that it might soon be reopened. They also reported that an unidentified object had fallen on Bolivian soil near the Argentine border and that local Bolivian authorities had requested aid from the central government which, in turn, had sought assistance from the U.S. National Aeronautics and Space Administration to investigate the case.

A La Paz newspaper said today that there is great interest in learning about the nature of the fallen object, adding that local authorities for security reasons had cordoned off 200 lbs around the spot where the object fell. The object is said to be a mechanical device with a diameter of almost 18 meters which has already been brought to Tarija. There is interest in determining the accuracy of these reports which have spread quickly throughout the continent, particularly in Bolivia and its neighboring countries. Is it a satellite, a meteorite or a false alarm?

[Text] Responding to a declaration issued by the national assembly of the Bolivian Socialist Frontage [FSB] recently held in Cochabamba, members of the National Electoral Court have stated that "they have always been willing to resign their posts."

They warned, however, that they will definitely not submit to "pressure from political parties" and they added that "they know the path of dignity and will assume their duties as the proper citizens and not they are threatened intimidations."
